

Quilt Doodle BOM 2017 A Traditional Mystery Quilt

Finished measurement 63" x 80"

Small print fabric work best for this quilt. Yardage... is an estimate with extra added in.

6 1/2 yards cream/ white background

3/4 yards green

1/2 yard- binding

16 different fat quarters- an assortment of colors will work best, the extra fabric left over from the Dresden design will be used for appliqué designs. The Aunt Grace line of fabric from Marcus Brothers would work nicely for this mystery quilt.

Backing – 6 yards

Heat n Bond Lite

Dark brown or black thread for machine appliqué

A new section or appliqué design will be announced the first of every month. The first section will be out January 1st. (2017) Patterns are FREE the month that they are released, as soon as the next month is released the previous patterns will still be available for a small fee... here are the links. What kind of quilt is it... I will tell you it is not a holiday quilt. There are no snowmen this time around. The appliqué designs are a collection of what you would find if you went to my grandparents home.
