

# September's Block

## A Nine Patch & 2 Rows

The 9 5 1/8" squares cut from the fat quarters  
 The 18 6 1/2" squares cut from the fat quarters

### To make a Nine Patch Block

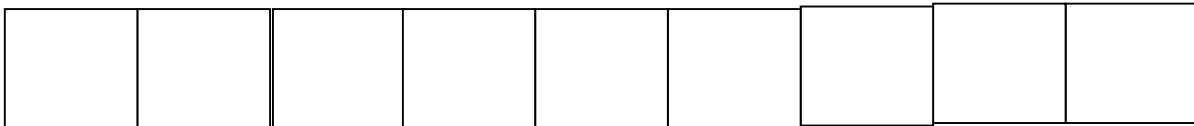

Sew the 9 5 1/8" blocks together using a 1/4" seam following the block layout. You will make only one block.

Block Layout

### To Make pieced square strips:

Sew 9 6 1/2" squares (one of each color fabric) end to end to form a long strip. Make two total.

Next month we will cut the sashing, corner blocks, and borders, then piece out quilt together!
